Building future ready citizens

Reporting Policy

As per our Continuous Daymap Assessment Policy: As educators, it is our legal obligation to report to parents/caregivers their young person's progress at least twice a semester. At Grant High School we do this by using *Continuous Assessment* throughout the year. This is seen in our end of semester reports (that state the average grade of each class for that semester), as well as at least 2 graded assessment tasks per term per class published on Daymap; as outlined in more detail below.

End of Semester Reporting Expectations: (as per Daymap Continuous Assessment Policy)

1. Final summative task must be published and resulted on Daymap **by the end of term.**
2. Teachers must publish at LEAST **2 summative tasks** per term, per subject, (subject to SACE LAP requirements see point 2a) and these tasks must be returned to students within 2 weeks of the given deadline. This should align with your Learning and Assessment Plan, (if the task appears on your LAP, it needs to be assessed and results published on Daymap).
 - a. Stage One and Two subjects with long term assignments e.g.: Term long investigations it will be a requirement that teachers publish draft feedback or a check point grade and comment at least once per term.
